#### Worship God In Your Career

Work is worship! When we work, we can praise and glorify God as we carry out our duties and responsibilities. Your job is work and is the basis for a career.

There are three key things you need to know about work, a job and a career:

1. **God has provided a variety of jobs to do.** Read *Ecclesiastes 9:10*. What does it say about work?

2. **God wants you to be happy in your work and career.** Read *Ecclesiastes 3:12*. What emotions are you to exhibit about your work?

3. **God expects you to enjoy your career and the results of your work.** Read *Ecclesiastes 3:13*. What does God ask you to do with your job, work and career?

### Different Kinds of Work

*“Put God in charge of your work [and career], then what you’ve planned will take place.” (Proverbs 16:3 Msg)*

A career is a blessing and a gift from God! If you don’t believe that, then talk to people who have lost jobs and have not been able to find work.

God has given each of us a task or work to do. As a result there are millions of different jobs in this world. Any work that you do can become exciting if you realize:

- **God is in the routine and midst of it** and has provided work as a means of giving you your daily bread. Read *Psalms 90:17*. What does God promise about your work?

- **All work is blessed when you allow God to work through you** to reach others. Read *Proverbs 22:29*. How should you allow God to use your career to impact others?

- **You are a partner with God in your career**, and must learn how to act with Him instead of against Him. Read *Deuteronomy 30: 9-10*. What does God promise to do when you partner with Him in your career?

There is an unlimited supply of the kind of work you may choose to do. However, Scripture says,

***“Whatever you do, do heartily, as to the Lord and not to men.”***  
*(Colossians 3:23 NIV)*

When you take the focus off of self and place it on God, you will make an eternally significant impact in the lives of others.
